

Junior Golfers Summer Clinics 2010

Golfers ages 8 – 14 years of age will learn basic swing technique, rules of golf and how to chip and putt. Games of closest to the hole, low putts and long drive give golfers the feel of competition and camaraderie. Fun is the key to keeping kids interested in golf and this clinic combines fun with golf's lessons of honor, integrity, sportsmanship and self-discipline.

Clinics are Monday thru Friday from 9:00 am - 11:00 am at a cost of \$150 per attendee. Balls are an additional cost. All clinics are limited to the first 6 students.
